## Overview

Quality of the educational process in Almajmaah University has been given the first priority as it aims to provide a product who can meet the needs of labor market. This product is represented in university graduates that are equipped with all knowledge, skills as well as capabilities. Almajmaah University, including all faculties and departments and its administrative units, is seeking to create such a graduate who will be able to compete in the national and international labor market.

The first forum was about the development ideas of education matters that was organized by University Vice Presidency for Educational Affairs.

Today, in the second forum university vice presidency presents some of the accomplishments including all plans, establishing the website and the strategic plans under the supervision of his Excellency University Rector Dr. Khaled Saad Almuqrin. Some university academic and administrative leaders, faculty members as well as students' representatives took part in this forum.

## Objectives:

The forum seeks to achieve the following objectives:

1. Introducing the participants to the plans that have been designed by University vice Presidency for Educational Affairs in order to improve the educational process in Almajmaah University.
