## **Training Experience**

The uses of computers is in business, office management and secretarial work.

Management of the research team program.

Educational of professional preparation basic university teacher programs (effective teaching - the use of technology in teaching – mini teaching).

**Professional Ethics programs.** 

## **Practical Skills**

Head of the quality and accreditation Committee, Department of Computer Science and Information, Zulfi College of Science, Majmaah University, Saudi Arabia.

Head of E-Learning Committees, Department of Computer and Information, College of Science in Zulfi, Majmaah University, Saudi Arabia.

Computer Programming in C, C++ and Java

Ns2, and TCL Language

Latex
