

Respiratory system
Conducting Part
(Transports air)

Trachea

Primary bronchi

Secondary bronchi

Bronchioles

Terminal bronchioles

Respiratory Part (gas exchange):

Respiratory bronchiole

Alveolar duct

Alveolar sac

Alveoli

Trachea, primary bronchus

*Pseudostratified columnar ciliated
epithelium with goblet cells*

Bronchus

(intrapulmonary)

Bronchiole
Terminal bronchiole
The Respiratory Part
