REPORT

HOUR_OF_CODE

30-12-2019

The ***Hour of Code*** is a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science.

The ***Hour of Code*** is supported by many companies including **Microsoft, Google and Apple**. Hour of Code is organized by **code.org** worldwide in online and offline mode. **183 countries are participating in this event.**

Hour of Code event was organized on 30-12-2019 to create interest in Computer Science for the kids

Elementary School: International Indian School, Majmaah
On Monday 30/12/2019
Time: 10:00 am – 11:00 am
No. of Students: 28

- **Nineteen (15)** Laptops from CCIS, Majmaah University were carried to the school to organize the event.
- **Dr.Jayadev Gyani** delivered the training session for the kids in Scratch software in offline mode.
- **Dr.Abdul Khadar Jilani** from CCIS helped in organizing the event successfully.
- All the kids were explained about "Hour of Code" and the basics of Scratch software.
- Students practiced some exercises in animation using Scratch software
- Kids were so excited to work on the laptops with Scratch preloaded.

At the end of the event Certificates were distributed by **Dr. Majed A. Alowaidi Vice dean of Postgraduate and Scientific Research, , CCIS, Majmaah** to all the kids who participated in the event.

Staff from both schools appreciated the initiative taken by CCIS, Majmaah University.

Faculty Members Present:

Dr.Jayadev Gyani, Dr.Abdul Khadar Jilani, Dr. Majed A. Alowaidi
