- B. Course Objectives and Learning Outcomes

1. Course Description

The purpose of this course is to develop students' receptive and productive language skills and sub-skills. It also aims to enable students to comprehend spoken English in extended conversation containing some unfamiliar words in familiar contexts, participate in increasingly extended conversations about topics beyond survival or routine activities, differentiate between fact and fiction in simplified reading material and some authentic material using a variety of word analysis skills to determine the meaning of new words, and organize relevant ideas and appropriate details into one or more clearly organized paragraph in a report or personal correspondence.

2. Course Main Objective

To enable the students to cope with the complex usage of English language in their higher Education and to improve their receptive and productive language skills and sub-skills.
