- Improving the achievement of ME program KPIs.

### Relevant statistics:

Similar Percentage of students participating in extracurricular activities were achieved in AY 2018-2019 and AY 2019-2020. There was a plan to increase the extracurricular activities. However, due to the lockdown or near lockdown in Saudi Arabia and many countries due to the Covid-19 pandemic during last year resulted in postponing or cancelling of all campus activities to minimize gatherings. Virtual tour plan to a factory related to manufacturing processes and computer-aided manufacturing in addition to a workshop about “how to make a professional presentation” as an extracurricular activity are in-progress. A lower value of the new target was set because the number of enrolled ME students is increasing.
