## Defense Presentation Introduction

Dear Colleagues,

I would like in this opportunity to thank you all for joining us today, for thesis defense with The Title Of ( .)

\* I am Dr. [REDACTED] the main supervisor of the student from the department of [REDACTED] and I will be organizing this session.

\* Also I want to welcome with a deep appreciation our members of the committee: Dr. [REDACTED], the associate professor in the Department of .

Dr. [REDACTED], the assistant professor in the Department of .

\* The session will start with the student's presentation of his /her thesis for 20 minutes, and after the completion of the presentation, the opportunity will be opened for the audience to ask questions, then the committee will start to evaluate the student's thesis.

\* I would like to emphasize the importance of giving the student a complete independence and not interfere with him/her during the presentation or answering questions.
