## TRAINING AND INTERNSHIP

---

Internship, King Fahad Medical City, Riyadh

2013-2014

Radiology department.

## PRESENTATIONS AND CONFERENCES

---

*Comparing Accuracy of Contrast Enhanced Ultrasound with Magnetic Resonance Imaging and Computed Tomography in Diagnosing Focal Liver Lesions: A Systematic Review and Meta-Analysis.*

Poster presentation

2018 (Jeddah, Saudi Arabia)

*How Low-Intensity Pulsed Ultrasound may affect wound healing.*

Accepted abstract at the BMS international conference

2022 (Newcastle, UK).

*The Effect of Low-Intensity Pulsed Ultrasound on wound healing.*

Accepted abstract at the RMS international conference

2023 (Coventry, UK).

*The Effect of Low-Intensity Pulsed Ultrasound on wound healing.*

Accepted abstract at the ECM2024 international conference

2024 (Copenhagen, Denmark)
