## **Research and Laboratory Assistant**

Indiana University-Bloomington

**Jan/2015-May/2017**

School of Public Health-Department of Kinesiology

Cognitive and Neuromotor Control Lab

(Age-related changes in balance, Reaction time and Step and Gait initiation studies)

(Designed experiment, collected data, analyzed data, and helped in recruit subjects)

## **Lecturer**

Majmaah University, Saudi Arabia

**2017-present**

College of Applied Medical Sciences

Department of Physical Therapy and Health Rehabilitation Sciences

- Coordinated students' clinical part and Internship year
- Taught both Human Biomechanics and Advanced Physical Therapy Techniques Courses
- Participated in the college's Research Center

## **SKILLS**

- Licensed Physical Therapist by Saudi Commission for Health Specialties (SCFHS)
- Improved and expanded my knowledge of the field by participating in and providing lectures, courses, and workshops related to:
  - Assessment of physical fitness
  - Effective training in patients' cardiac rehabilitation
  - Upper limb function in neurology patients
  - Pathological and clinical gait analysis
  - Biomechanics and Low back pain
  - Evidence-based physiotherapy practice
- Certified provider of basic cardiac life support
- Skilled in the use of computers and the Internet, and in motion analysis systems (Microsoft Word, Excel, PowerPoint and MATLAB).

## **Gait analysis, instructor, and trainer**

YMCA-Bloomington, IN, USA

**Summer 2015 and 2016**

Trained senior individuals with gait impairment secondary to different neurological and cognitive limitations to improve their gait and walking independence.

Designed and helped in design gait training program.

## **PROFESSIONAL MEMBERSHIPS**

- Member of Saudi Physical Therapy Association (SPTA). **2007-present**  
Helped new students whose major is Physical Therapy to be aware of the professional activities held by the association, and then to join the SPTA.
- Member of Gait and Clinical Movement Analysis Society (GCMAS). **2014-present**

## **SERVICES AND COMMUNITY INVOLVEMENT**

- Saudi Arabian Boy Scouts Association (SABSA). **Oct/2010**  
Guided, helped, and directed the Pilgrims during the Pilgrimage season
- Saudi Students House In Pittsburgh (SSH). **2012-2013**  
Participated with the SSH events and activities
- A Toastmasters International Club member. **2012-2014**  
Introduced any individual who want to improve his communication and leadership skills to the club and encouraged him to join. I also gave speeches, evaluated other members' speeches, and took various roles during club meetings
- A GlobalPittsburgh active member. **2013**  
participated in organizing activities for international students to help them connect and get involved in the Pittsburgh community
- Saudi Student Club In Bloomington (SSC) **2014-2015**  
Advised and guide the new students in their academic life
- YMCA in Bloomington, IN, USA **2015-2016**  
Trained senior individuals with gait impairment to re-gain their walking independence through two classes/week.
- A MATLAB for beginners tutor **2015-2016**  
Tutored students, who had interests in learning basics MATLAB for free at Indiana University-Bloomington campus.
