

College: **Engineering** Department: **Civil and Environmental Engineering** Program: **Civil Engineering**

Code
MUP15

Student Learning Outcomes Measuring Schedule

	1 st year			2 nd year			3 rd year			4 th year			5 th year			
	S1	S2	S3	S1	S2	S3	S1	S2	S3	S1	S2	S3	S1	S2	S3	
Courses	Structural Analysis 2 (CE 215)	1					2									
	Hydraulics 2 (CE 241)	1					2									
	Engineering Report Writing (GE 306)		1					2								
	Soil Mechanics and Foundation Eng. 2 (CE 311)		1					2								
	Environmental Engineering 1 (CE 360)		1					2								
	Water Supply and Sewage Eng. (CE c362)		1					2								
	Surveying 2 (CE 371)				1						2					
	Properties & Strength of Materials 2 (CE 313)				1						2					
	Structural Analysis 3 (CE 316)				1						2					
	Reinforced Concrete Design 2 (CE 318)					1						2				
	Steel Structures Design (1) (CE 320)					1						2				
	Computer Application in Structure (CE 425)					1						2				
	Engineering Economics (GE 407)							1								
	Reinforced Concrete (3) (CE 419)							1								
	Steel Structures Design (2) (CE 421)							1						2		
	Senior Design Project (1) (CE 498)								1					2		
	Engineering Project Management (GE 408)								1					2		
	Contracts & Specifications (CE 423)								1						2	
	Buildings Construction (CE 424)										1				2	
Senior Design Project (2) (CE 499)													1	2		

(S1) First Semester

(S2) Second Semester

(S3) Third Semester

Majmaah University
Deanship of Quality and Skills Development

Note:

All selected courses for measurements start after year 2
